

Help us to help them.

Every child deserves the opportunity to grow into a caring contributing adult.

4CS needs your help to ensure all of the babies and toddlers in Passaic County have knowledgeable parents and other adults to support them.

Our earliest days, weeks, and months are a period of unparalleled brain growth. Babies' health and development are directly affected by the quality of care and experiences children have with the important adults in their lives.

Early experiences matter. Make your tax deductible gift to 4CS, and you'll help us support:

- Passaic County children and families;
- Professionals who work with young children and families; and,
- Everyday parents and grandparents like you.

Thank you for your continued support of 4CS. Together, we can build a better future for our babies and toddlers – a future that translates into every possible opportunity for success in learning and life.

Warmly wishing you a safe and happy New Year,
