

# JOB OPPORTUNITY

## **4CS OF PASSAIC COUNTY, INC. IS CURRENTLY HIRING FOR A New Jersey First Steps (NJFS) Infant/Toddler Specialist**

This position will be providing technical assistance and comprehensive services to aid and enhance the development of child care programs, licensed centers and registered family child care serving infants/toddlers. This includes collecting critical data to support child care program assessment and development of new programs as outlined by DFD.

### **Education and Experience Required:**

- Bachelor's degree in Early Childhood Education is required; Master's degree in Early Childhood Education is preferred
- Must obtain certification for Infant/Toddler Care (PITC) within one year of hire
- Must be registered with the NJ Workforce Registry, maintain membership in the Registry and become an approved Trainer through the Registry Instructor Approval System
- Five years of experience working directly with Infant/Toddler programs, preferably with the birth - 3 population
- Must have knowledge and training in the Infant/Toddler Environment Rating Scale (ITERS);
- ITS-SIDS
- Familiar with facilitating and supporting community of practice and peer to peer partnerships

**Please send cover letter and resume to [hr@4cspassaic.net](mailto:hr@4cspassaic.net)**
