

NJ School-Age Care Coalition (NJSACC):
The Statewide Network for New Jersey's Afterschool Communities

Introducing NJSACC's NEW

School-Age QUALITY COACHING Initiative

NJSACC: The Statewide Network for NJ's Afterschool Communities envisions a state where every child has access to high quality school-age out of school time programs to strengthen youth, families and communities. Through our new statewide **Quality Coaching Initiative**, NJSACC endeavors to support school-age afterschool and out of school time programs and providers with quality coaching through assistance and observation to enhance providers' delivery of services, professional development, and implementation of strategies to best meet the unique needs of the school-age youth they serve.

HIGH QUALITY TECHNICAL ASSISTANCE:

Our Quality Coaches not only have many years of hands on experience in the field, we also have access to and have screened the many out of school time tools available out there. We've picked the best and most up to date tools, resources, and technical assistance to share with NJ's programs and providers.
