

JOB OPPORTUNITY

4CS OF PASSAIC COUNTY, INC. IS CURRENTLY HIRING FOR A New Jersey Family Engagement Specialist (FES)

The Family Engagement Specialist (FES) will provide family support services through the coordination of parent engagement events, community events and meetings, and collaborative efforts and partnerships with other staff and agencies. This position also will educate and inform families on accessing desired/necessary services and positive child development outcomes using strengthening families' strategies to support New Jersey's early care and education system.

This position will be providing technical assistance and comprehensive services to aid and enhance the development of child care programs, licensed centers and registered family child care serving infants/toddlers. This includes collecting critical data to support child care program assessment and development of new programs as outlined by DFD.

Education and Experience Required:

- Bachelor's degree in social work, early childhood education, psychology or other related field,
- Experience parent/family support, early childhood services, community events and engagement.
- Strong interpersonal skills and ability to establish and develop trusting relationships.
- Experience collecting, organizing, recording and processing information.
- Working knowledge of child development and developmentally appropriate practice
- Knowledge of child protective factors
- Knowledge of developmental screening, Ages and Stages Questionnaire (ASQ), a plus

Please send cover letter and resume to hr@4cspassaic.net
